

- I will manage classes by encouraging students to login daily which is what we do already.
1. Bellwork
 2. Introduce a lesson
 3. Give explanations, examples and exercise activities
 4. Virtual Discussions in the Google Classroom
 5. Independent activity
 6. Questions
 7. Assessment
 8. Feedback
 - I will organize lessons using different digital resources (differentiation will be included)
 - I will distribute and collect assignments, course materials, and student work using google classroom, edgenuity & masteryconnect
 - Communicate daily with students about their classwork through google classroom and district provided email accounts.
 - Give students timely feedback on their assignments and assessments.
 - I will provide videos and webinars as needed.
 - Proficiency will be determined using Edunuity and Mastery Connect

The following resources are used consistently and with fidelity which should ensure a smooth transition to home-schooling and online classes.
