

Lakes: The plan is that students use Edgenuity as an online tool to consistently progress in the standards that are required of them by MDE. Many parents/guardians have been notified via School Status; students have been notified via edgenuity's emailing system. The lessons for each course Algebra I and Geometry extends to May 21, 2020.

Hill: The plan is that students use Edgenuity as an online tool to consistently progress in the standards that are required of them by MDE. Many parents/guardians have been notified via School Status. The deadlines for lessons for Algebra II, May 12 for seniors and May 15 for all other students, and 8th grade extends to May 20, 2020.

Brady: The plan is for her 7th math students to continue on Envision via Pearson Realize. The Foundations of Algebra students are to continue in Edgenuity. Time lines are coming shortly. Parents/guardians will be notified by School Status.

8th Grade Math (all dates are tentative)

March 20 - Working with Exponents
March 25 - Inputs-Outputs Relationships
March 30 - Linear Equations and Inequalities

April 3 - Linear Systems of Equations
April 8th - Linear Functions
April 10 - Cumulative Exam
April 17 - Pythagorean Theorem & Irrational Numbers

May 1st - Transformations
May 6 - Congruence & Similarities
May 11 - Volume
May 19 - Patterns in Bivariate Data
May 20 - Cumulative Exam

Algebra 2 (dates are tentative)

March 27 - Rational & Radical Functions
April 10 - Trigonometric Functions
April 17 - Mathematical Modeling
May 1 - Sequence, Series, Probability Application
May 15 - Statistics & Probability and Cumulative Exam
May 12th for Seniors
